[Brexit](#)

(Click on the icon above)

Brexit, Brexit, Brexit!! It is probably the most talked about topic on news at the moment. It's a topic that has actually split the opinion of the nation, with 51.9% of the voters voting to leave the European Union and 48.1% of voters voting to stay.

But why is it so important and will it affect you?

Find out with this great article from the BBC Newsround team which explains why it is important for you to understand what is happening and how it will affect you, now and in the future.

[Game – Escape from the Barter Islands](#)

(Click on the icon to run the game)

Try this game just for fun!

Escape from the Barter Islands teaches you the fundamentals of a barter system and the value of a uniform and acceptable currency.

As a player you must help Robbie, who's stranded on the Barter Islands, purchase a sail for his boat and return home by trading coconuts, apples, bananas, fish, bread, and more. Great game with a serious point to it.

[Business Ed website](#)

(Click on icon above)

Great website to support your business lessons. Included on the website are theory notes, presentations and quizzes all which will support your learning.
