CHRISTMAS ACTIVITIES

CHEMISTRY

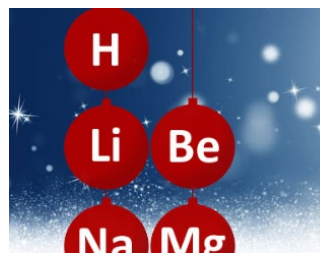

WEBSITES

KITCHEN CHEMISTRY

A range of fun experiments that can be tried at home using ordinary household kitchen substances! Please ask before you make a huge mess!!!

CHEMISTRY ADVENT CALENDAR

A periodic table advent calendar. Full of interesting element facts!

THINGS TO WATCH

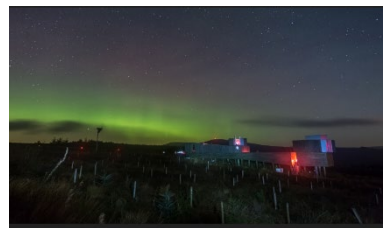

[25 Chemistry Experiments in 15 minutes](#)

PLACES TO GO

A visit to the Kielder Observatory would be an excellent thing to do at Christmas (unless it's snowy!) and the events they do are great.

Kielder Observatory

RSC Kilcoyne 6th form Christmas Lectures at Newcastle University on the 18th December.
