### GCSE Bitesize French

**Bitesize**

GCSE Bitesize – this can be useful from U4 upwards, but anyone can try it! It allows you to practise the four skills and it gives model answers too.

## THINGS TO WATCH

### Joyeux Noël

This is a perfect film to watch at Christmas. It is the story of the Western Front in World War I and the challenges faced by the men in the trenches. You will hear Silent Night sung in German!

The students and teachers at this boarding school in France have many troubles to contend with, but when the music teacher starts a choir, his efforts have quite an impact on the whole school.
