## BOOKS TO READ

In this book Dan Snow shows us how each day offers a different and unexpected insight into our past. And story by gripping story, this year grows into a vivid, very human history of the world.

It's Christmas Eve 1914. A group of tired soldiers start singing *Stille Nacht*. Soldiers the other side of No Man's Land respond with *Silent Night*. The next day, soldiers on both sides put down their weapons and celebrate the spirit of Christmas Day with a friendly football match.
