

Physics Stretch and Challenge

THE INFINITE MONKEY CAGE

This is funny and informative and features the magnificent Brian Cox. Many episodes are available on iPlayer:

BBC FOCUS MAGAZINE TWITTER

Excellent source of up to date information about what is happening in science. It is very easy to read and has lovely pictures.

GEORGE'S SECRET KEY TO THE UNIVERSE

Written by Lucy and Steven Hawking. George's pet pig breaks through the fence into the garden next door - introducing him to his new neighbours: the scientist, Eric, his daughter, Annie, and a super-intelligent computer called Cosmos.

KURZGESAGT – IN A NUTSHELL

Beautifully animated, well researched and in depth videos about the most fun aspects of science. Lots of physics ones. The “Aliens under Ice” is a particularly good one.

THE SLOW MO GUYS

Watch waves in slow motion. Lots of the good stuff on the channel. The lightning strikes one is really good too.

PHYSICS.ORG

Lots of varied stuff on here about all aspects of Physics. Current topics under discussion are “Why do teapots drip” and “How humans can survive on Mars”.
